

Digital Signage

Little effort, big impact

Looking to boost profits, increase traffic and re-allocate the budget?
See the difference Ergotron makes in your digital signage applications.

Neo-Flex®
Mobile MediaCenter

20" (51 cm) of smooth height adjustment

Roll digital signage or images to the point of need and rotate your display to portrait or landscape orientation as needed—no need to reinstall display

24-190-057 LD 25–50 lbs (11.4–22.7 kg)
24-191-057 VHD 50–90 lbs (22.7–40.9 kg)
24-192-057 UHD 90–120 lbs (40.9–54.4 kg)

Whether communicating powerful, attention-grabbing graphics or streaming video, the appeal of digital signage is in its quick and effortless ability to manipulate content in real-time to influence audience behavior. However, one of the keys to implementing a powerful message is effective positioning. This is where Ergotron can help.

Our innovative line of display mounts and mobile workstations move content to the audience, creating a powerful impact.

Ergotron's Neo-Flex Mobile MediaCenter maximizes your investment, moves your content wherever it's needed and adjusts effortlessly for optimum view. Our TM Tilting Wall Mount and Neo-Flex HD Arms and Pivots uniquely position your medium or large displays to an optimum point of projection. Plus, all of our products are easy to install.

Little effort, big impact. That's the value from Ergotron.

+ Finance + Healthcare + Hospitality + Automotive + Enterprise + Transportation + Education + Retail + Restaurants + Offices + Public Venues + Events + Libraries +

Constant Force (CF) patented lift-and-pivot motion technology produces smooth adjustment.

Top Products

Plasma displays, LCDs and laptops are increasingly affordable. Let Ergotron provide you with a mounting solution that will improve the customer experience, capture audiences and drive sales.
