

Ergotron, a Global Manufacturer of Digital Display Mounting and Mobility Products has an immediate opportunity for a

Database Management Internship

(Amersfoort, the Netherlands)

Are you looking for a fun and challenging internship in the field of database management in an international, growing company? Do you have good communication skills, are you innovative, analytic, independent and do you have affinity with CRM systems? Then Ergotron is looking for you!

In this internship you will be given the opportunity to support various projects from a data management perspective within the Business Operations team surrounding Data Quality. You will be able to participate in work related assignments, gain practical work experience, and network with employees from various departments. The company is active in several countries, so there will be an international aspect in this assignment.

Tasks

- Perform regular data entry and clean up in SalesForce and Microsoft Power BI;
- Develop and maintain reports and dashboards;
- Provide end-user support i.e. troubleshooting issues and processing of requests from colleagues;
- Assist in the creation of user documentation and maintain ongoing system change documentation;
- Filter and “clean” data across multiple integrated CRM systems as appropriate for specific Projects / Salesforce Cases / Business Requirements.

Ergotron is looking for a pro-active and ambitious student who is eager to learn and gain work experience.

Your profile:

- Currently doing a Bachelor in the direction Business IT & Management / Commercial Economics or similar;
- Fulltime available for a minimum period of 4 months;
- Experience gained in a previous internship with a focus on database administration is a pre;
- Strong communication skills;
- Passion for data & analysis;
- Time & Project Management skills;
- Attentive to details;
- Proficiency in Dutch and English.

Ergotron offers a challenging internship in an international organization. A company with top quality products, contributing to a productive and healthy workplace. Ergotron is a company with high ethical standards and passionate, supportive colleagues. A company that stimulates personal development and that will give you the opportunity to gain relevant work experience.

Are you interested to take up this internship? Please send your CV and motivation to hr_department@ergotron.com. For additional information you can contact Floor Knipping at the same e-mail address.
