MAINTAIN HEALTHY COMMUNITIES

ergotron®

The 1,5 meter social distancing facility challenge

As organizations plan their return to work, they need to rethink their workspaces to help keep employees comfortable, productive and safe. Ergotron's broad portfolio of ergonomic, professional-grade designs quickly transform standard environments into open office designs that meet social distancing requirements. These flexible workspaces can be easily reconfigured for each person or project to match the fluidity of the current times.

Social distancing recommendations vary by country.

LearnFit™ Mobile Desk

WorkFit-C Sit-Stand Workstation

Shared workspaces can still be personalized. Adjustable, flexible designs fit each person's body for a comfortable workstyle.

1. Thermal imaging camera moves easily on a mobile platform; camera mounts forward or backward to address privacy concerns
2. Convenient sani-wipe holder supports regular disinfection
3. Hot swap or on-cart battery enables uninterrupted workflows
4. Compact mobile cart travels to where it's needed and fits in small spaces

Camera, monitor and other equipment not included

PARK A THERMAL IMAGING CART AT YOUR MAIN FACILITY ENTRANCE. THE OPEN ARCHITECTURE DESIGN SUPPORTS YOUR PREFERRED TECHNOLOGY AND MOVES WHEREVER IT'S NEEDED.
